~~CRJ Study Guide 200
and 700~~

Great information in the book. It lines up the order and information of the questions almost exactly as the Bombardier CRJ 200 systems manual orders its information. I like this book better than the manual though for quick recap and study. I don't

File Type PDF Crj 200 Aircraft Systems Study

think it would be an effective stand alone study aid though for people new to the aircraft.
